Pastor's Corner

Dear Parishioners and Visitors,

Believing that the Eucharist is truly the Body, Blood, Soul and Divinity of our Lord, Jesus Christ, can be difficult, even for some Catholics. In order to strengthen our faith in the Real Presence God has blessed us with many Eucharistic Miracles throughout the history of the Church. Let's learn about some of them as we celebrate Eucharistic Revival in our Church in America.

(Part 1) Sokolka, Poland. On October 12, 2008, at the church dedicated to Saint Anthony of Sokółka, the Holy Mass of 8:30 AM is celebrated by a young vicar, Ks. Filip Zdrodowski. During Communion, unknowingly the Host falls from the hands of one of the priests. A woman kneeling, ready to receive the Eucharist, makes him notice it. The priest remains paralyzed from fright and believing it was dirty, places it in the vasculum, a small silver vessel which contains the water utilized by priests to wash their fingers after distributing Communion. At the end of the Holy Mass, the sacristan, Sister Julia Dubowska, takes the vasculum with the Host and for increased safety pours it into another vessel which she then locks in the safe where the chalices were kept.

Week later, on Sunday, October 19, around 8:00 AM, the sister opens the safe and finds the Host almost dissolved but with some strange red clots in the center. She immediately calls the priests to show them what was discovered. The Host was mostly dissolved. Only a very small piece of the consecrated bread was left, tightly interconnected to the substance that appeared on its surface. Actually, part of the Host was joined to that “strange red clot”. The pastor of Sokółka then contacted the Metropolitan Curia of Białystok. Archbishop Edward Ozorowski together with the Chancellor of the Curia, priests and professors examined the Host and, astounded, decide to wait for the development of the events and to see what would happen next. On October 29 the vessel containing the Host is brought into the parish chapel and locked in the tabernacle; the next day, on order of the Archbishop, Father Gniedziejko delicately removes with a small spoon the partially dissolved Host with the blood colored substance on its interior and places it on a pure white corporal, with a red cross embroidered on its center. The corporal is kept in the case used for keeping and carrying the Hosts, to be then locked again in the tabernacle.

Viva Cristo Rey!
