## Pastor's Corner

*Dear Parishioners and Visitors,*

Believing that the Eucharist is truly the Body, Blood, Soul and Divinity of our Lord, Jesus Christ, can be difficult, even for some Catholics. In order to strengthen our faith in the Real Presence God has blessed us with many Eucharistic Miracles throughout the history of the Church. Let's learn about some of them as we celebrate Eucharistic Revival in our Church in America.

***(Part 2) Sokolka, Poland.*** Over time the Host “fused” with the corporal and the red “clot” dried. Only then two scientists of global fame and specialists in pathological anatomy at the Medical University of Białystok were consulted. The Metropolitan Curia of Białystok has released this declaration concerning the Eucharistic Miracle that occurred at Sokółka: “1. On October 12, 2008, a consecrated Host fell out of the hands of a priest while he was distributing Holy Communion. He picked it up and placed it in a vessel filled with water, in the tabernacle. After Mass, the vessel containing the host was placed in a safe present in the sacristy. 2. On October 19, 2008, after opening the safe one could clearly see a red stain on the Host that had fallen, which with the naked eye immediately gave the impression of being a bloodstain. 3. On October 29, 2008, the vessel containing the Host was transferred to the tabernacle of the chapel of the rectory. The next day the Host was removed from the water contained in the vessel and placed on a corporal inside the tabernacle. 4. On January 7, 2009, the sample of the Host was taken and examined independently by two professionals in histopathology at the University of Medicine of Białystok. They issued a common declaration which states: ‘The sample sent for evaluation looks like myocardial tissue. In our opinion, of all the tissues of living organisms this is the one that resembles it the most.’ 5. The Commission has noted that the analyzed Host is the same one that has been moved from the sacristy to the tabernacle in the chapel of the rectory. Intervention by a third party has not been found. 6. The case of Sokółka does not contradict the faith of the Church, but rather confirms it.” Viva Cristo
