

Little Flowers

CATHOLIC GIRLS CLUB

Little Flowers Club is for girls kindergarten to fifth grade that teaches virtues through scripture, Saints' biographies and the Catechism of the Catholic Church (think a "Catholic version of Girl Scouts"). Mothers and daughters will actively participate to grow in faith and virtue together. The program was created by Behold Publications (www.beholdpublications.com).

We will be meeting monthly from October to June from 3:30pm to 5:30pm at the OLC Family Center on the first Thursday of the month. The first meeting is October 3, 2024. Siblings are welcome to play in the gym (supervised by a rotating parent schedule). Each meeting will consist of a parent provided snack and craft. Parents are required to stay and actively participate in the meetings.

At the end of each meeting, siblings will join the group as the parent leads discussion from TOB Parent School's publication of Theology of the Body Monthly.

During the year we will do two simple service projects and have two family events: Family Advent Potluck & a Mother/Godmother/Grandmother - Daughter Tea Party.

Cost is 30\$ per child to provide member's guide, 3-ring binder, sash, and wreath badges. The TOB magazines are generously being donated by the founder, Lindsay Caron.
