Pastor's Corner

Dear Parishioners and Visitors,

The Eucharist is the “source and summit” of our lives, as St. John Paul II often reminded the world. In these three years of Eucharistic Revival, it would be good to look to the example of the Saints to learn about their devotion to Christ in the Eucharist, and how we can best emulate their devotion.

Mother Teresa: We are all familiar with this great saint who tenderly took care of Calcutta's poor. Not only was Mother Teresa attentive to the needs of the poor, but also to the need of each person to experience the love of Christ in the Eucharist. She herself uniquely understood the importance of and the powerful effect of Christ in the Eucharist for she said: “when you look at the crucifix, you understand how much Jesus loved you then; when you look at the Sacred Host, you understand how much Jesus loves you now.” As busy as Mother Teresa was, she and her nuns faithfully prayed a Holy Hour each day, knowing that the Eucharist was the source of their strength. We too should follow in the footsteps of Mother Teresa by taking some time each week to spend with Jesus in adoration. We should never be too busy to offer our day and week to God in this special way!

Viva Cristo Rey!
