## Pastor's Corner

*Dear Parishioners and Visitors,*

Here are 10 things to know about the Jubilee Year 2025 – Pilgrims of Hope.

Part 2.

3.The theme of the Holy Year is “*Pilgrims of Hope.*” The papal bull, issued May 9, that introduced the coming Jubilee Year is titled “*Spes Non Confundit,*” or “*Hope does not disappoint,*” drawn from Romans 5:5. “*Everyone knows what it is to hope,*” Pope Francis wrote. “*In the heart of each person, hope dwells as the desire and expectation of good things to come, despite our not knowing what the future may bring. “Even so, uncertainty about the future may at times give rise to conflicting feelings, ranging from confident trust to apprehensiveness, from serenity to anxiety, from firm conviction to hesitation and doubt,”* he continued. “*Often we come across people who are discouraged, pessimistic and cynical about the future, as if nothing could possibly bring them happiness. For all of us, may the Jubilee be an opportunity to be renewed in hope. God’s word helps us find reasons for that hope.*” Pope Francis also hopes the year draws Catholics toward patience, which he described in “*Spes Non Confundit*” as a “*virtue closely linked to hope,*” yet can feel elusive in “*our fast-paced world, we are used to wanting everything now.*”

4.Drawing on their Jewish roots, jubilee years emphasize the Sacrament of Reconciliation and restoring relationships with God. They also provide an opportunity for a special jubilee indulgence, which can remove the residual effects of sin through the grace of Christ.

5.The year calls Christians to action. Pope Francis called for “*signs of hope*” in the Jubilee Year, including the desire for peace in the world, openness to life and responsible parenthood, and closeness to prisoners, the poor, the sick, the young, the elderly, migrants and people “*in difficult situations.*” Pope Francis has called on affluent countries to forgive the debts of countries that would never be able to repay them, and address “*ecological debt,*” which he described as “*connected to commercial imbalances with effects on the environment and the disproportionate use of natural resources by certain countries over long periods of time.*” Viva Cristo Rey!
